

Steps to join arts-abled cyber-community

Enter in the arts-abled platform

Go to www.artsabledplatform.com
and click on Cyber-community.

Create your account

On the right corner, click on "Log
in" and create your account to have
full access to cyber-community

Click "Start now"

Click on start now to see all the
functionalities and sections of
cyber-community

Go to "groups" to start a conversation

Click on groups to have access to all
the groups and conversations. Click
on "Join" to enter to the group.

Go to "members" to chat with other members

You can also chat with members in
the section "members"

Go to "collaborative blog" to write posts

You are also allowed to create
specific posts in our blog about
related topics.

Go to "Adapted practices for families and caregivers" to have a look to our practices

In this section, you can download our
practices developed to improved arts
competencies and employability of
children with disabilities
